

## **Fire Department M E M O R A N D U M**

**TO:** Owner/Operator

**FROM:** Capt. Jason A. Smedick

**DATE:** 3 March 2010

**SUBJECT:** Gas Piping Plans

**Effective April 1, 2010 the Milford Fire and Building Department will now require plans for gas piping installations in accordance with NH State Fire Code NFPA 54 2002 edition. The plans are required to be submitted as part of the permit application. The permits may be obtained from the Milford Fire Dept. or the Milford Office of Community Development.**
